Once you have received confirmation that your account application has been approved and your trading account is ready for funding, you may use the following methods to fund your account. Please consider the following before proceeding with deposits or withdrawals:

Third-party transfers are strictly not accepted.

All deposits and withdrawals must originate from or be sent to an account in your name.

All payment-related communication will only be entertained if sent from your registered email address.

You cannot withdraw more than your free margin.

Deposit Methods

Bank Wire Transfer

Funding instructions will be sent to you automatically upon completion of your account registration.

Electronic Payment Systems

We accept deposits through the following:

Bitcoin
Usd
Usdc
Skrill
Neteller

Withdrawal Policy

Withdrawal requests received before 11:00 AM (GMT-4 / Saint Lucia time) will be processed within the same business day.

Requests received after 11:00 AM will be processed on the next business day.

Processing times are based on best effort and may take up to 48 hours.

Note:

Clients may select any available withdrawal method offered by Avora Markets, subject to the availability of funds in that particular payment channel.

If your requested withdrawal method is unavailable due to insufficient liquidity or technical limitations, Avora Markets will notify you and may offer alternative options such as:

Withdrawal to your registered bank account

Selection of another available payment method

AVORA MARKETS reserves the right to temporarily suspend any specific electronic payment channel for withdrawals. In such cases, clients will have the option to withdraw funds via bank wire or any other active payment channels.
